RE: Your claim against Milwaukee Police

Dear Johnnie,

I do remember you from Oshkosh. I'm sorry you are in your predicament that you describe in your letter dated April 9, 2024. Unfortunately, I cannot help you. I was just released from St. Luke's Hospital in Milwaukee following heart surgery this weekend. I am not supposed to drive. I am the only lawyer in this office. Considering that I've had 87 birthdays, I ought to start listening to my doctors. I am returning your letter. I send my most sincere wishes. I believe every word of your letter. Keep trying. We cannot give up making this country better for everyone. God bless!

Very truly yours,

George W. Curtis

**RE: INQUIRY #24-0003309**

Dear Johnnie Rose,

Thank you for your inquiry and request for legal help. The ACLU of Wisconsin Foundation is a non-profit organization with very limited resources. We do not have enough staff and trained volunteers to respond individually to each request for help and we lack the resources to act as a general legal clinic. Unfortunately, we cannot offer any legal advice or legal representation to you at this time, however, we have enclosed a list of private civil rights attorneys that you may contact for further assistance.

The fact that we cannot represent you does not necessarily mean you do not have a good case. You may wish to contact another legal organization or a private attorney for help. If you do not know of a private attorney, you may wish to contact the Wisconsin Bar Association's Lawyer Referral & Information Service, P. O. Box 7158, Madison, WI 53707-7158, (608) 257-4666. Or you can file a lawsuit on your own.

There are time limits for filing all lawsuits, so you should not delay. In Wisconsin, if you are suing the government for a violation of state law, including personal injury claims, you normally must file a "Notice of Injury and Claim for Damages" within 120 days of your injury in order to preserve your right to sue. More information about this requirement is in Sections 893.80 and 893.82 of the Wisconsin Statutes. The Notice of Injury and Claim for Damages is not required to sue for violations of federal law, including violations of the federal constitution. There are other time limits and may be other filing requirements for federal claims.

We regret that we are unable to help you in this matter.

You should also note, according to our document management policy, we destroy all inquiries and documents sent to us after seven (7) years. If you sent original documents you would like returned, please notify us in writing immediately to arrange to retrieve the documents. You may be required to pay to have documents sent to you.

Sincerely,

R. Timothy Muth  
Staff Attorney
